RE: Notice of Intent to Award Contract Pursuant to Request for Proposal
NCRK1411015OBH – Crisis Stabilization Services/Mobile Crisis Services/Crisis Residential & Respite Services

Dear Ms. Raggio,

Congratulations! Your proposal for the above program has been recommended to receive an award for contract. The Department of Human Services Procurement Office has reviewed the work and recommendations of the Evaluation Committee and is in concurrence. At this time, you are an *apparent* successful offeror. You have not yet been awarded a contract. Pursuant to Colorado law, the Department of Human Services may not proceed with a contract until the time period for unsuccessful offerors to protest has expired. No property interest of any nature should be construed from this notice. No interest will accrue until the award has been made and the contract is signed by all parties and is fully executed by the State Controller.

You may begin contract development and discussions with agency contact. Please contact Leo Jaramillo at (303)866-7509 for further information.

Sincerely,

Kim Bailey, Lead Purchasing Agent
Division of Procurement
Department of Human Services
